WHEREAS, Governor Scott Walker's "budget repair bill" would destroy public employee unions in Wisconsin, and

WHEREAS, if Walker gets away with destroying public sector unions, he will certainly push for "Right to Work" legislation and for repeal of prevailing wage legislation, to destroy private sector unions as well,

THEREFORE, BE IT RESOLVED, that _____ commits to participating in a statewide general strike to occur on a date to be determined by the Statewide Strike Steering Committee and that my organization agrees to participate in a Statewide Strike Steering Committee to plan and carry out the general strike.
